***Battery Powered Striper***

- Sprays 60 gallons of paint per charge at 70 psi.
- Self contained, 12 volt maintenance free battery pack!
- Pressure builds fast, in less than one minute you're ready to stripe.
- Heavy duty air compressor rated to spray over 100,000 gals of paint!
- Operating pressure from 0 to 115 psi!
- Fully **Automatic Battery Charger** is designed to fully charge your battery and maintain it at proper storage voltage. Just plug it in and forget about it.
